ITINERARY: OPTION 1

<p>Giraffe Centre:</p> 	<p>09:00am – 10:30am There are now over 300 Rothschild Giraffe safe and breeding well in various Kenyan national parks. Recent herds have been introduced to Soysambu Ranch by Lake Elementaita in the Great Rift Valley, Kigio Conservancy and the Sergoit Ranch in the Mount Elgon region.</p>
<p>David Sheldrick:</p> 	<p>11:00am-12:00noon The David Sheldrick Wildlife Trust Elephant Nursery bordering Nairobi National Park offers safe haven to orphaned baby elephants rescued from parks and reserves in Kenya. The nursery cares for the young elephants, including hand rearing them until they are old enough to be gradually introduced back to the wild in Tsavo East National Park.</p>
<p>Lunch at Karen Blixen: 13:00-14:30hrs</p>	
<p>Karen Blixen Museum:</p> 	<p>15:00-16:30hrs Karen Blixen Museum was once the centre piece of a farm at the foot of the Ngong Hills owned by Danish Author Karen and her Swedish Husband, Baron Bror von Blixen Fincke. Located 10km from the city centre, the Museum belongs to a different time period in the history of Kenya</p>

Travel insurance: As a company, we recommend our clients to buy travel insurance to protect them from any unforeseen circumstances while travelling or doing a safari. Kindly advise if you will require Travel insurance. In the absence of the above, we will provide an indemnity form for you to sign upon confirmation

Kenya's Climate

Generally the climate is warm and humid at the coast, cool and humid in the central highlands, and hot and dry in the north and east.

The relatively wet coastal belt along the Indian Ocean receives 1,000 mm or more rain per year. Most rain falls from April to July as a result of the southeasterly monsoon.

Rainfall peaks in most areas are in November and April. Some 30% of this zone can be classed as semi-desert, with rainfall averaging less than 300 mm per year and evaporation often greater than 3,000 mm.

What to Pack - It is advisable to travel with a small medical kit that includes any basic remedies you may need, such as antacids, painkillers, anti-histamines and cold remedies. You will also need anti-diarrhoea medication such as Imodium (adults only); and oral rehydration sachets such as Electrolade, especially if travelling with children.

Yellow fever: Certificate required for entry into, or travel between, some African countries.
